***“Skin as Interface: Exploring the
Biological and Social Aspects of Human Skin”***

Our skin is the primary interface between our bodies and our physical and social environment. In this lecture, I will discuss the evolution of human skin, and the many functions that our skin serves, from physical protection to communication.

Date: September 18, 2009

Time: 12:00 pm - 1:00 pm

Location: Living Center (110 Henderson)
